Petition to Revive Unintentionally Abandoned Application – 37 CFR 1.137(b)/1.17(m)

Applicant herein respectfully petitions for revival of the above-identified application, which was unintentionally abandoned for failure to respond to the “Notice of Allowance and Fee(s) Due” (copy attached) mailed on **August 8, 2005** for which payment of the Issue Fee was due on **November 8, 2005**.

Pursuant to 37 CFR 1.137(b)(3), the undersigned attorney hereby certifies that the entire delay, from the mailing of the Official Action on August 8, 2005 until the filing of the present Petition was **unintentional**.

Pursuant to 37CFR 1.137(d), no Terminal Disclaimer is needed since the present application was filed after June 8, 1995.

Please note the submission herewith of a proper PTO Form-82, “Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address”, and a proper PTO Form-96, “Assignee’s “Statement under 37 CFR 3.73(b)”. The purpose of these papers is to correct both the Fee Address and Correspondence Address in favor of the Assignee of record (Pharmacia & Upjohn Company, an operating unit of Pfizer Inc), rather than to the law firm which filed the application acting as outside counsel to the Assignee of record.

The Petition Fee of \$1,500.00, 37 CFR 1.17(m), or any other needed fee or fee amount, should be charged to Applicant's Deposit Account, No. 16-1445, and any additional fees that the Patent Office determines are needed in connection with this Petition (such as for a Petition for Extension of Time, if any) may also be charged to this Deposit Account.

An early and favorable action is respectfully requested.

Respectfully submitted,

Date: March 10, 2006
